Teaching with CLASS is a year-long professional learning experience aimed at helping new teachers (1st and 2nd year) build a successful classroom culture and support student learning. New teachers will work with award winning Region 4, Michigan 2020 Teacher of the Year, Barb Huston to examine the common pitfalls of classroom management, work through systems and solutions that keep students on task and set expectations for a culture of learning in their classroom.

What to Expect:

Training and support that lasts over the school year will provide new teachers with practical knowledge necessary to create successful classrooms and engaged students. Participants will receive:

Two-day workshop:
“Make and Take Kick Off”
(August 9 and 10, 2022)

Monthly support from
your experienced
teacher mentor

3 classroom visits
from your mentor
